II. PROCESSIONAL

Ancient of Days.....Jeffrey

- 1 Ancient of Days, who sittest, throned in glory;
To Thee all knees are bent, all voices pray;
Thy love has blessed the wide world's wondrous story,
With light and life since Eden's dawning day.
- 2 O Holy Father, who hast led Thy children
In all the ages, with the Fire and Cloud,
Through seas dry-shod, through weary wastes bewildering,
To Thee, in reverent love, our hearts are bowed.
- 3 O Holy Jesus, Prince of Peace and Saviour,
To Thee we owe the peace that still prevails,
Stillng the rude wills of men's wild behaviour,
And calming passion's fierce and stormy gales.
- 4 O Holy Ghost, the Lord and the Life-giver,
Thine is the quickening power that gives increase.
From Thee have flowed, as from a pleasant river,
Our plenty, wealth, prosperity, and peace.
- 5 O Triune God, with heart and voice adoring,
Praise we the goodness that doth crown our days;
Pray we that Thou wilt hear us, still imploring
Thy love and favour, kept to us always.
Amen.

VII. HYMN

"Come, Thou Almighty King".....Giardini

Come, Thou almighty King,
Help us Thy Name to sing,
Help us to praise!
Father all glorious,
O'er all victorious,
Come and reign over us,
Ancient of days!

2 Come, Thou Incarnate Word,
Gird on Thy mighty sword;
Our prayer attend!
Come, and Thy people bless;
Come, give Thy word success;
'Stablish Thy righteousness,
Saviour and Friend!

3 Come, Holy Comforter,
Thy sacred witness bear,
In this glad hour!
Thou, Who almighty art,
Now rule in every heart,
And ne'er from us depart,
Spirit of power!

4 To Thee, great One in Three,
The highest praises be,
Hence evermore;
Thy sovereign majesty
May we in glory see,
And to eternity
Love and adore.

XI. RECESSIONAL

"Rejoice, Ye Pure in Heart" Messiter

- 1 Rejoice, ye pure in heart!
Rejoice, give thanks, and sing
Your glorious banner wave on high,
The cross of Christ your King!
- 2 Bright youth, and snow-crowned age,
Strong men and maidens meek:
Raise high your free, exulting song!
God's wondrous praises speak!
- 3 With all the angel choirs,
With all the saints of earth,
Pour out the strains of joy and bliss,
True rapture, noblest mirth!
- 4 Your clear hosannas raise,
And alleluias loud!
Whilst answering echoes upward float,
Like wreaths of incense cloud.
- 5 Yes, on through life's long path!
Still march in firm array!
From youth to age, by night and day,
In gladness and in woe.
- 6 Still lift your standard high!
Still chanting as ye go;
As warriors through the darkness toil,
Till dawns the golden day!
- 7 At last the march shall end;
The wearied ones shall rest;
The pilgrims find their Father's house,
Jerusalem the blest.
- 8 Then on, ye pure in heart!
Rejoice, give thanks, and sing!
Your glorious banner wave on high,
The cross of Christ your King.

FOREWORD TO THE '34 ANNUAL

The 1934 *Annual* is a product of our desire for an essentially different book. We, the '34 "W" staff, have departed from the nationwide, traditional procedure in yearbooks. First of all, renouncing the usual method of selecting a theme to fit a set arrangement of divisions, we have placed the various divisions wherever they best fitted the pre-selected theme. By thus reversing the usual process, the possibilities for a theme became unlimited. Secondly, we have employed a more distinctive, a more decorative, and by the way, a more costly type of insert page. Lastly, we have attempted to abandon the traditional, monotonous picture layout in an effort to secure new effects. We sincerely hope we have fulfilled our purpose by producing a new book unique in its character and interesting to you.

The Editor.

*To the Art Department,
which, under the capable
direction of Miss Higley,
has faithfully and efficient-
ly co-operated with the
present and with former
editorial staffs in making
the "W" yearbooks out-
standing artistic creations,
we, the 1934 Annual "W"
Staff, gratefully dedicate
this volume.*

The 1934 Annual Staff

Only two members from the 1933 Annual Staff answered the call for staff workers in September and, with these as a nucleus, it became the task of Mr. Meslow, the new editorial adviser, to mold an efficient organization for the production of the 1934 year-book. Ronald Freedman, last year's literary editor, was chosen editor-in-chief.

Several weeks were spent in an attempt to select a new, fresh, different theme. After many suggestions had been rejected, the story of Pinocchio was selected as a workable theme.

Mr. Steimont, the staff photographer, took individual and group pictures during the last few weeks of the first semester. Margaret Laser was placed in charge of checking, filing, and mounting these pictures.

A special subscription campaign for graduating seniors was held at the end of the first semester. A gigantic poster, forty feet in length, hung in the Senior Assembly was the feature of this campaign.

The general four weeks subscription drive ending on March 2 was one of the most intensive the school has ever seen. A variety of methods consisting of newspaper publicity, speakers, skits, and stunts of every sort were the weapons with which the staff under the direction of Editor Freedman and Circulation Editor Ruth Miller, besieged the student body in an effort to boost the number of subscriptions.

Barbara Helmkamp put much effort into her work as Literary Editor. In her hands was the supervision of all written material to be included in the book.

Miss Higley and her staff deserve the highest praise for their beautiful art work. Their contribution was essential to the success of the book.

The actual physical work of printing and binding the book was done by Mr. Schoenoff and his print shop classes. They too, deserve praise and thanks.

For nine months the staff has put their best efforts into making this book a success in every way. Whether the 1934 Annual "W" is a success or not, it is the result of the sincere efforts of the editors and staffs.

THE STUDENT "W" WORLD

With the first issue published on Friday of the second week of school, the Student "W" World, in the eleventh year of its organization, set a new record for an early take-off.

A small group from the previous semester returned to form the nucleus of the new staff. Juanita Skelton was chosen editor and Walter Andracki advertising manager for the first semester. They represented the staff at the annual convention of the National Scholastic Press Association held at the LaSalle Hotel in Chicago on October 12, 13, and 14, 1933.

Special issues were published for Hallowe'en, Thanksgiving, and Christmas during the first semester, and for Easter and Commencement during the second semester. Upholding a tradition started last year, the World staff again sponsored a Hobo Day dance in the new gym on the last morning of the first semester. Thru the cooperation of local merchants, eighteen prizes were awarded to the most typical road characters present.

At the opening of the second semester the Student "W" again "jumped the gun" by coming out the first week instead of taking a vacation during the usual organization period.

Because of the unusual array of talent available, Mr. Meslow, editorial adviser, conducted an experiment in staff organization during this semester. A plan was evolved whereby the editorship, as well as other major staff positions, were changed every six weeks. The new plan proved satisfactory and may be adopted as a permanent policy for the staff's organization. Virginia Artelle, Dorothy Boyles, and Kermit Rolland, in the order named, headed the staff during the second semester.

HIGH SCHOOL

A high school is a funny thing,
And though her praises we may sing
In later years, our destination
While in school is graduation.

Says Junior to his Senior friend,
"I'll be so glad to see the end
Of what they call the 'trail of knowledge';
I know I'll never go to college."

"The teachers seem to think we are
A lot of bookworms; they would mar
The life of any cheerful student;
So I'll not study—I'll be prudent."

But Senior, in his memory's eye
Turns back the time, and with a sigh
Regrets the years were all so few;
There was no time, and much to do.

He sees the Freshman scurry 'round;
The gym, it seems, can not be found.
He laughs and says, "My, what a fool
I was when just a Frosh in school."

The Sophomore to no one will bow,
For he is not a Freshman now;
The girls have permanents and curls,
And boys begin to notice—girls.

Then Junior comes upon the scene;
He's usually on the football team;
Each night you will find him on a date,
What matter if next morn he's late?

And then comes Senior year—the best
By far; it outshines all the rest.
The Senior holds his head up high;
He knows for his place others sigh.

He's learned some useful tricks of trade;
He studies naught, but gets good grades;
There's no girl good enough for him—
He takes them out to please his whim.

He looks the teacher in the eye,
And gets away with alibis.
Then, if he's tired, he just skips
A class or two, but gets white slips.

The Senior, looking back on this,
Says, "Good old school, I'm going to miss
Not being here; it has been fun;
I hate to think I'm almost done."

And when you are a Senior, you
Will realize all this is true;
For, looking back, I must confess
I love you, W. T. H. S.

—Elvera Anderson.

SAVOIR FAIRE

Seniors? Ah, yes. A strange species of "homo sapiens." "Homo," of course, but "sapiens"? Most assuredly; at least, we Seniors think so, having, after three striving years, arrived at very dignified and much respected stage in our career.

Sometimes, in the crowded moments of our oh, so busy days, we find time for a hasty glance at the eager, childish faces of our underclassmen. As they look up at us with their meek, terrified eyes, we smile condescendingly, and to ourselves we say, "Ah, the youngsters realize the power and the prestige of a Senior." And so it is. Who would dare, unsanctioned, to enter the realm of the haughty fourth year class? Cold frowns and stares, scathing words, and much worse would greet the unsophisticated intruders.

It is with poise and dignity that we tread the halls of this noble institution. Where would good old W. T. H. S. be, were it not for the Seniors? Where could one find an element of calmness and grace in the student body if there were no Seniors?

As we leave this school, our diplomas tightly clasped in our hands, we wonder if you who are to take our places as the cream of the crop will possess that certain something which we call "savoir faire." Don't worry, dear underclassmen, you, too, will know what that means when it's your turn to spend Period A in the Senior Assembly.

—Agnes Stenros.

MODERN CHIVALRY

It is a common saying and, I am afraid, a true one, that the age of chivalry has passed. Of course, here and there you still find a man who thinks of women as frail creatures who must be protected, but as a general rule the members of the so-called weaker sex are allowed to struggle along for themselves. I am not implying that this is the fault of the men; on the contrary, women have brought it upon themselves in their pursuit of equal rights with men.

However that may be, it is certain that great changes have taken place in the customs of chivalry since the age of knighthood. Let us reverse the circumstances of Mark Twain's famous book, "A Connecticut Yankee in King Arthur's Court," and imagine one of the ancient knights in modern America.

Picture his horror if he happens to be watching the students at our beloved high school. A girl with an armful of books is in such a rush to reach her next class that she stumbles, and the next moment books are strewn about the sidewalk, while several weighty looking documents go flying across the drill field. The knight is shocked to see that instead of rushing to the assistance of the distressed damsel, the boys go unconcernedly on their way, leaving the girl to the hopeless task of collecting her scattered belongings.

The Knight may arrive on the scene just as school is being dismissed. Delightedly he watches a couple making their way toward a dilapidated Ford. It is true, the girl is carrying her own books, but the distance is short. Evidently her companion is going to escort her home in his car. He opens the door for her to enter; then he unceremoniously climbs over her to his place behind the wheel, with only the mumbled comment, "Other door's locked."

Our disillusioned knight ruefully shakes his head and wishes he could return to the age when knighthood had not gone to seed.

Dorothy Olsen.

MAKING A SPEECH

With faltering steps I ascend the platform to deliver my speech. This night is my last opportunity to win the cup for which I have twice contested unsuccessfully. A spark of determination flashes across my mind. I must win; I will win!

My heart beats quickly; my knees tremble; my thoughts lose their meaning. I find myself addressing the chairman whose conventional recognition I hear from afar. Mechanically, as in a daze I drone my prosaic introduction, while a hundred chaotic thoughts plunge crazily thru my unresisting mind. Weakly I grope to gain possession of myself. A transparent veil, thin yet impregnable, seems to separate me from any effective consciousness of my task.

My notes, to which I automatically refer now for the first time, waken me to the cold realities of the present. The startling contrast of jet black ink upon a virgin white card seems to whisk away the veil and to shake me from the trance which has hypnotized my senses.

My voice changes. I begin to speak calmly yet forcefully. As I warm to my subject, my words take on a new color. The spark of determination flashes again, but this time my entire being is inflamed with enthusiasm. With deep conviction I plead my cause. My voice, my gestures, my emotions all seem to coordinate as if directed by some super-human agency. Rapidly approaching the climax, I employ gestures and facial expressions of which I believed myself incapable. I have regained complete command of myself; my thoughts are orderly. Words flow in a fiery stream of eloquence. I have finished; I have won!

Ronald Freedman.

ON THE WAY TO SCHOOL

W
34
A scene of beauty and stillness enveloped me as I tripped gaily and light-heartedly to school on that day in winter. I experienced the feeling of the joy of living, the delight of being able to see and hear nature's glory. A flaming ball was rising on the purple-gray horizon, and was drawing off the dark cloak of night from the dormant city. A few sparrows twittered nosily in the crystallized twigs of leafless trees. The atmosphere was cold and clear; the snow flakes showered into soft, downy folds on the sidewalks and pavement. As I quickened my pace (for the cold was biting my toes), I noticed shades were being drawn and smoke was beginning to curl from tall chimneys, the thin, dark line finally fading into the azure sky. Most people would have called it a bleak and dreary morning, but it seemed to me one of the rare times in the day which is severely beautiful. The clean, vigorous air promised strength to all who would partake of it. Whistles began to echo their shrill, harsh tones, and break the silence of dawn. It was almost with a pang of regret that I saw the red-brick, vine-covered building loom before me—it meant another day in crowded classrooms, away from the beauty of nature.

1. SENIOR BAND

2. JUNIOR BAND

BAND

Since its organization in 1912, the band has become one of the most prominent, as well as one of the most popular organizations in the school.

Although the greater part of the band was made up of underclassmen the past year, a fine showing was made at concerts and contests. In the spring of 1933, the band competed in the district contest at Maywood and went on to the state contest at Urbana. Here, together with four other Illinois bands, Graham's boys received first division honors.

Norman Pearson, clarinet player, Donald Coil, accompanist, James Salmon, xylophone and snare drum player, and Wilbert Soderquist, drum player, all received first places in the solo contests. The saxophone quartette received first place in its division of the ensemble contests.

When these musicians played at the national contest held in Evanston, James Salmon and Norman Pearson received first national honors. Donald Coil did not enter the competition due to the failure of national officials to notify him about a change in the time and place of the piano group.

Norman Pearson was later elected to the Hall of Fame of the "School Musician," the official musical magazine for schools and colleges throughout the country.

The band sponsored its eleventh annual Band Dance on February 2nd. All of the actual work involved in planning and executing the theme of the dance was done by band members. The new gymnasium was transformed into a huge garden, covered by an overhead canopy of blue. The novel, indirect lighting effect covered the walls with soft, harmonious colors.

The Lion's Club medal, which is awarded each year to the graduating band member who has been most valuable to the organization, was awarded to James Salmon in 1933.

David Brunberg was chosen student conductor, Edward Malella was appointed librarian, Richard Curlee and Eugene Erickson were appointed to the posts of drum majors.

Two concerts were given by the band during the past year. The programs consisted of numbers of marches and semi-classical numbers. An overture, "Germania," composed by Otto E. Graham, director of the band, was a special feature of the last concert.

The officers for the two semesters were:

ENSEMBLES

String Quartette—In the fall of 1933, a string quartette was organized by four ambitious members of the Waukegan Township High School Orchestra, Eugene Erickson, first violin, Ralph Harju, second violin, Eugene Graham, viola, and Robert Gibbons, cello.

This interesting organization was called upon many times to play for civic clubs, debates, and various social programs. The music chosen was of a classical or semi-classical nature.

Cornet Quartette—David Brunberg, Victor Hoeffner, Walter Stenborg, and Vernon Mericle, four cornet players from the High School Band, organized a group called the Cornet Quartette, early last September.

This ensemble, with its semi-classical numbers performed for the various civic and social organizations in the city.

A great deal of credit for their outstanding playing is due Prof. Graham who coached this group.

1. SENIOR ORCHESTRA

2. JUNIOR ORCHESTRA

ORCHESTRA

The Waukegan Township High School Orchestra, under the direction of Mr. Otto Graham, has an excellent record for the past year. The orchestra has grown every year until it now comprises forty-five members.

The outstanding musical event of the year was the annual concert on April 6, 1934. The versatile program consisted of the "Overture Phedre" and the "Nordic Symphony" by Howard Hansen, composer of the new American opera "Merry Mount." Solos were rendered by Eugene Erickson, violinist, and Dorothy Johnson, pianist.

The orchestra sent five representatives to the All-State Orchestra at Urbana.

On April eleventh, the National Orchestra, to which Waukegan sent eight members, gave a concert at the Auditorium Theatre in Chicago, before the National Assembly of Musical Directors. Representatives from Waukegan were: Eugene Erickson, Ralph Harju, William Harju, Gilbert Anderson, David Brunberg, Eugene Graham, Omer Lemery and Walter Nagode.

The orchestra also provided a short musical program before the Easter services which were held at the Genesee Theatre, and incidental music for that outstanding school production "Little Women."

BOYS' GLEE CLUB

The Boys' Glee Club gives opportunity to boys interested in singing to learn something of vocal technique, the singing of a part, practice in sight reading, and the joy of singing great music with a group. The Club meets every day during the Seventh Period. The work consists of vocal drill and technique, the learning of a repertoire of four-part songs and mixed choruses, and the staging of an opera.

The Club makes many appearances throughout the year for school affairs and community activities. The music of the Commencement festivities, which occur twice a year, is provided by the Choral Music Department. Three sacred all-school programs for Thanksgiving, Christmas and Easter are also given. The Club is instrumental in producing the annual opera—which this year was Gilbert and Sullivan's "The Pirates of Penzance," and the annual concert.

GIRLS' GLEE CLUB

The Girls' Glee Club was an important factor in the presentation of the "Pirates of Penzance." All feminine "leads" were taken by members of the Girls' Glee Club.

On various occasions the Girls' Glee Club has made public appearances either in cooperation with the Boys' Glee Club or by itself. In the Thanksgiving, Christmas and Easter programs, and in both the January and May graduating exercises the Girls' Glee Club took a prominent part.

The Girls' Glee Club, together with all school organizations dealing with vocal music, is under the direction of Mr. G. E. Schumann.

Several members of the Girls' Glee Club were selected to participate in the "In and About Chicago High School Chorus" which sang for the National Supervisors' Convention held in Chicago in early April.

GIRLS' CHORUS

The Girls' Chorus is an organization for those girls who have had no experience in vocal choral music. It aims to train the students in the essentials of reading and interpreting choral music. It is a stepping stone towards membership in the Girls' Glee Club; that is, it is necessary to have sung in the chorus before one may be admitted to the Glee Club. Mr. Schumann is the director of the chorus.

The chorus uses "The Glenn Glee Club Book for Girls" as a basal text. Its repertoire includes such excellent selections as the following: Mathew's "Indian Cradle Song," Cyril Scott's "Lullaby," and Gaines "The Seasons."

Although the chorus is essentially a training class, it does make public appearances. This year the chorus performed at the Thanksgiving, Christmas, and Easter programs, besides participating in the annual Glee Club Concert.

A CAPPELLA CHOIR

The A Cappella choir was organized in the school year of 1932-33. This year it was composed of thirty-two members—eighteen girls and fourteen boys. The choir held one rehearsal a week, ninth period. The appearance of the choir has been greatly enhanced by vestments in the school colors.

As they sing unaccompanied, the choir is a purely choral organization. Its repertoire consists of music of the early masters who wrote only for such organizations.

A number of the choir members sang in the High School Chorus which was sponsored by the In-and-About Supervision Club, and who gave a concert on April 11th for the National Supervision Conference which was held in Chicago. The Choir has appeared on many occasions, including the Commencement activities and special school programs.

Row 1—C. Ashton, G. Johnson, P. Johnson, S. Pokela, N. Twentyman. Row 2—M. Olson, H. Harmer, D. Stockstill, Mr. G. Schumann, L. Hicks, F. Hawk, J. Rausch. Row 3—E. Warren, G. Don, M. Major, D. Johnson, B. Peterson, D. Gamash, B. Carlson, R. Bargh. Row 4—E. Luke, L. Olcott, J. Eatherington, J. Heywood, R. Anslyn, G. Seifert, R. Freedman.

VOICE CLASS

The voice classes are organized expressly for the purpose of training the voices of the students who evidence unusual individual ability in the field of vocal music. They are usually those members of the Glee Clubs who have voice material which might be built up. In the past year exceptional progress has been made in the three voice classes.

The students were given an opportunity to demonstrate their progress in the voice class recitals. Recitals were held after school in the Junior Assembly three times each semester. These were open to students. Once each semester a more formal recital was held in the evening for the parents and friends of the performers.

The voice classes cooperated with the History Club in presenting the musical part of the American Education Week programs. Programs were also presented before such civic organizations as the University Club, the Rotary Club, and the Business Women's Club.

The leading roles in the "Pirates of Penzance" were taken almost entirely by the students of the Voice Classes. The Opera gave an opportunity for the students to demonstrate the practical training they had acquired during the year. The success of the Opera proved conclusively that the Voice Classes are an asset to the school curriculum.

OPERETTA

The Glee Clubs presented "The Mikado," Gilbert and Sullivan's world famed comic-opera, in the Senior Assembly on May 5 and 6, 1934 for the general public, and for the Civic Music Association in a special performance on May 16th.

The performances drew over-flowing crowds, who applauded enthusiastically the sparkling music and quick wit of the opera.

The leading roles were taken by the following students: Robert Anslyn, Ronald Freedman, George Shea, Steve Stoikoff, Earl High, Evan Parks, Roscoe Sherman, Jane Ward, June Strickland, Antoinette Wiechecki, Bernice Carlson, Margaret Major, Beatrice Warren, Taimi Lehtonen, and Joanne George.

PIRATES OF PENZANCE

"Pirates of Penzance," a Gilbert and Sullivan light opera, was presented by the Glee Clubs under the direction of Mr. Schuman on April 20 and 21, in the Senior Assembly.

The comical antics of the "Pirates of Penzance," a group of orphan pirates, and their relations with Major General Stanley and his host of daughters, kept the audience roaring with laughter thruout the performance. The music, although almost a century old, proved still gay and sparkling.

The able cast of the opera was as follows:

SENIOR PLAY

"Regatta," the Senior play of the February graduating class, was presented in the senior auditorium on December 8, 1933, attracting a large audience. The chairman of the Senior Play Committee was Agnes Stenros.

The setting of the "Regatta" is the summer home of Stephen Worthington, who, though in his fifties, has young ideas. He is engaged to a charming young lady, Cynthia Winsborough, who arrives to spend the week-end at the island, and to see the annual boat race. What a mystery thriller this week-end proves to be! The detective escapade of Stephen's live-wire daughter and her friends, the mystery of the stolen airplane plans, and the tangled love affairs, are brought to a climax by Ted Worthington's sensational nose-dive in his plane. Through the efforts of the young "detectives" Jack Hartford, who has been accused of stealing the papers, is cleared of all suspicion. Cynthia has fallen in love with Jack and promises to marry him. At this new development, however, Stephen is not broken-hearted, as might be expected, for he really loves Mary Crothers. The final scene finds Virginia and her friends jubilant over the success of their detective and match-making ventures.

DRAMATICS

Students of the dramatics department, under the direction of Miss Dunn, have presented many programs before various local civic organizations during the past year. The dramatic department cooperated with the History Club in presenting the American Education Week programs.

"Little Women"

"Little Women" was staged in the senior assembly on February 16, 1934. It is an old fashioned play which has held its popularity for over sixty years. It is an accurate adaptation of Louisa May Alcott's immortal book by the same name. The setting is laid in the New England homes of the March family and their spinster aunt. The action transpires during and immediately after the Civil War.

Vaudeilles

Two outstanding vaudeilles were presented this year by the dramatics department, with the cooperation of Mr. Schuman and his glee clubs.

In the first presentation, "Radio Half-back," a negro skit, "A Lesson in Ettiquette," and "One Girl to Another," were the outstanding dramatic offerings.

The second vaudeville was a Christmas program in which songs and readings in keeping with the season were interspersed with musical and dramatic skits. A special feature, "A Night Club Scene," was presented by Mr. Schumann's pupils. The various artists were presented by Ronald Freedman who acted as Master of Ceremonies.

The purpose of the Athletic Association is to promote interest in the athletic activities of the school. Every student who buys a season ticket to basketball or football games is eligible for membership.

In order that the association might achieve its purpose, the members have chartered busses for out-of-town games, assisted in the sale of tickets, and bought materials to make posters advertising athletic events.

The officers for the year were:

Thornton Game, T. 0—W. 13

Sept. 16

Waukegan inaugurated the football season with a 13 to 0 victory over Thornton of Harvey. Iggy Mesec, Junior star, got away for a series of long runs and scored all the points. Ray Petroshius did some fine plunging to advance the ball into Thornton's territory. Thornton found the "W" line invincible.

New Trier Game, N. T. 0—W. 13

Sept. 23

In the second start of the season Coach Wilson's footballers defeated New Trier 13 to 0. Petroshius and Morris were the principal ball carriers in the first touchdown march with Morris toting the ball over. Cinto Martinez brought the spectators to their feet with a brilliant 78 yard run. Captain "Cazzy" Gregorski played a bang-up line game for the locals.

West Allis Game, W. A. 0—W. 19

Sept 30

Waukegan defeated West Allis in a hard fought game by the score of 19 to 0. Morris scored the only touchdown of the first half on an end run. Petroshius scored two touchdowns in the last quarter which was played in the rain. Kliora played the best line game for Waukegan.

Carl Schurz Game, S. 0—W. 26

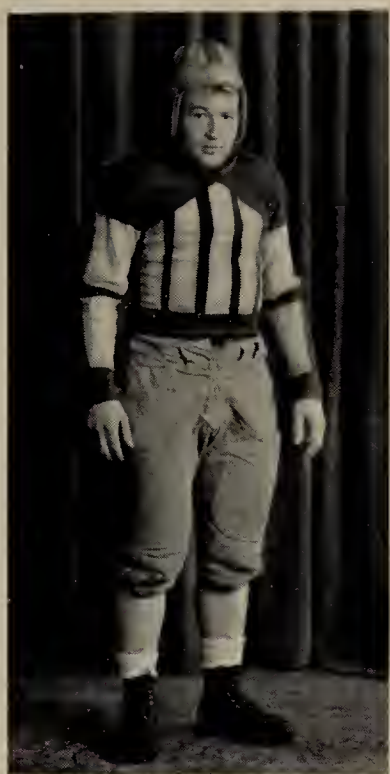

Oct. 7

Despite the fact that the Schurz team outweighed the "W" boys 20 pounds to a man, the locals shellacked them by the score of 26 to 0. Petroshius started off the touchdown parade with a score in the first period on a line buck. Iggy Mesec then scored two touchdowns the next quarter to bring the score up to 20 to 0. Wilson used his second and third stringers the most part of the second half, but Morris was put into the game with only a few minutes of play remaining and he immediately aroused the stands with a 75 yard touchdown run. The play was made possible through wonderful blocking by Johnson, Kliora, and Gregorski.

Bloom Game, B. 7—W. 12

Oct. 14

Although three star backfield men, McNamara, Mesec and Martinez, were on the sidelines with injuries, the Wilsonmen managed to eke out a 12 to 7 victory over Bloom. Bloom scored their touchdown in the last 20 seconds of play on a long pass. This was the first game Waukegan was scored on this year. Petroshius scored the first touchdown on a line plunge and Kenny Morris rambled 56 yards through a broken field for the other touchdown.

Football Captain

Coach M. E. Wilson's football team did not have a regular captain during the season, but "Cazzy" Gregorski was selected to lead the team in every game, and at the end of the year he was elected honorary captain.

Gregorski, although only five feet four inches tall, was a two-letterman in football. In his Junior year he was a substitute guard and last fall he developed into one of the best fighting guards Waukegan has ever had.

Thornton Fractional Game, T. 0—W. 6

A powerful group of boys came up from Thornton Fractional and put up a hard fought game before succumbing by the score of 6 to 0. Late in the second quarter Petroschius carried the "casuba" over on a line plunge for the only score of the game. Arve Johnson, a tackle, transferred to half back, played a good game as did Kenny Morris.

Evanston Game, E. 13—W. 6

Before a crowd of 2, 500 spectators, Evanston defeated Waukegan 13 to 6 in the most outstanding game of the year. The only touchdown was scored on a beautiful pass from Conteas to Morris late in the third period. Leonaitus, purple and gold quarterback, played his best game of the year. Captain Gregorski and Noamarth Kliora played their usual good game.

Deerfield Game, D. 7—W. 7

Showing an obvious let down, from the hard fought Evanston game, the Wilson-men were held to a 7 to 7 tie by an inspired Deerfield team. Two Waukegan regulars, Bisland and Petroschius, didn't see action this game. Conteas scored all points on line plunges. The following boys played their last games for Waukegan: Gregorski, Morris, Leonaitus, Bisland, Bair, Morstadt, Kaptur, Killoran, and Johnson.

After an absence of eight years Waukegan has returned to the Suburban League. We will meet New Trier, Morton, Deerfield, Proviso, Oak Park and Evanston in twelve basketball games next winter. We will officially become members of the league on December 1, 1934.

Coach R. D. Brown's sophomore footballers opened their 1933 season with a 12 to 0 defeat issued them at the hands of Libertyville's second heavies. The following Satur-day the locals traveled to Oak Park and were dished out a stinging 35 to 7 defeat. Pilli-fant and Zens, tackles, played good games for Waukegan.

The third game of the year found the sophs losing a hard fought 8 to 0 verdict to Carl Schurz. The boys showed much improvement over their previous starts in this game. In their next two games, they played a scoreless tie with Libertyville and defeated Morton 26 to 6. Damos, fullback, and Sledge, end, were the outstanding players for Waukegan.

In the sixth game of the year the "W" boys lost a 20 to 0 game to a highly touted Evanston team and closed the season with an 8 to 0 defeat at Deerfield. Of the seven-teen lettermen the most outstanding were Yenz, Pillifant, and Sledge, linemen, and Damos and Laffredi, backfield men.

VARSITY BASKETBALL

Coach R. D. Brown again built up a highly successful basketball machine, in the 1933-1934 season. The cage combine went thru the regular schedule winning 13 games and losing 2. Coach Brown was well pleased with this record, since he had to build an entirely new team, as only a few of the lettermen of the famous 1932-1933 team returned.

The team started the season in great style winning their first five games by decisive scores. In the sixth game of the season the "purple and gold" lost to Thornton, last year's state champions, in a thrilling 24-21 game. The home team was leading 13-5 at the half and was leading 21-18 with two minutes left to play when Boudreau, Thornton's Ace man, sank three baskets in a row to win the game for Thornton.

Basketball Captain

At the end of the successful 1932-33 basketball campaign, "Cinto" Martinez was elected to lead the Brownmen for 1933-34. "Cinto" was the only letterman who returned to become the nucleus of Brown's new team.

Martinez was a regular on the varsity team for two years, winning two major letters, and a regular on the lightweights in his Sophomore year. Martinez was a member of the second team in the district tournament in his Junior year and a member of the 1931-32 tournament squad.

Five more games were added to Waukegan's victory list before the team suffered another defeat, this time at the hands of Joliet. The "W" heavies held Joliet to four field goals, but Joliet scored fourteen times from the free throw line to win 22-21.

The Brownmen trounced two suburban league rivals this season. They defeated Deerfield twice by the score of 30-21 and 38-20. The "W" boys also defeated Oak Park, second place winner in the suburban league, by the score of 36-28.

The boys that figured prominently in the successful season were: Adolph Pierce, Iggy Mesec, John Tercheck, and Clem McNamara, who performed at the two forward posts; "Chuck" Ruta, and Verle Jones, at center; and elongated "Red" Olson, the most outstanding backguard Waukegan has ever had, and Wayne Koffel and Oscar Opitz at the guard positions.

The 1933-34 record is as follows:

"W" (37)	Morgan Park (19)	"W" (38)	Deerfield (20)
"W" (30)	Deerfield (21)	"W" (18)	Racine (17)

District Tournament

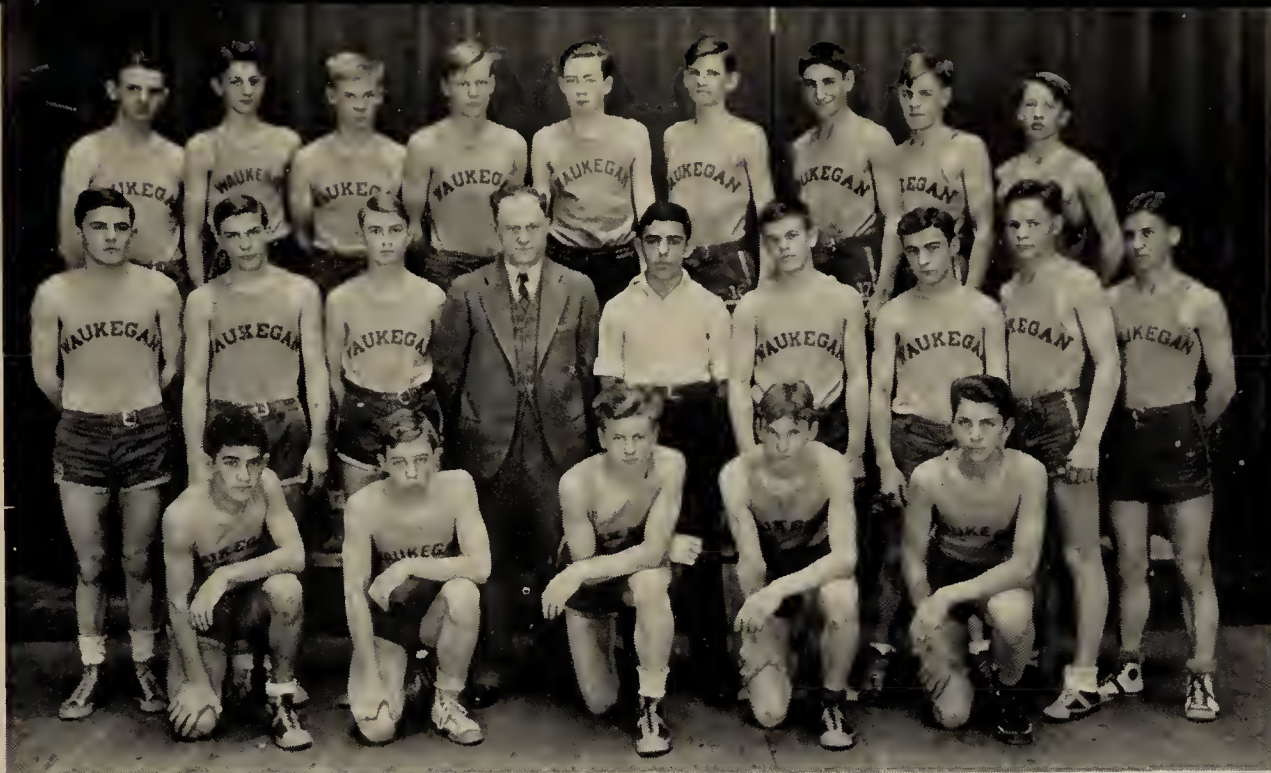

The district tournament opened at Libertyville on March 6. Libertyville, the host, began hostilities by defeating Ela.

In the second game of the tournament Waukegan with Laffredie and Olson starring, defeated Wauconda 22-17. Deerfield concluded the first night's play by swamping Antioch 45-17.

On the second night Warren and Ela defeated Northbrook and Niles Center, respectively.

Waukegan, in their second start of the tournament, met unexpected opposition from Libertyville. As a result of forced substitutions and several other factors, Waukegan lost the game 33-28. This defeat was the first break in a chain of six consecutive district tournament victories. Later that evening Evanston beat Warren and Maine overwhelmed Ela.

In the semi-finals of the tournament Libertyville triumphed over Deerfield by the score of 23 to 18. In the other game Maine defeated Evanston in an extremely hard fought game by the score of 34 to 33. As a result of these victories Libertyville and Maine met for the title and after an exciting game Maine came out the victor by the score of 32 to 29.

LIGHTWEIGHT BASKETBALL

The local "ponies" participated in fourteen games during the past season, winning seven and losing the same number for a .500 per cent average. The team was coached by Mark Wilson, assisted by Al Grosche.

The boys who did the brunt of the work for Coach Grosche were as follows: "Willy" Laffredi and Billy Bragg were the first string forwards, while A. Maki and "Mickey"

McGuire were reserve forwards. Zadigian, Nutilla and O. Maki alternated at center, and the guards were Sahagian, Behnke, Lerche, and White. This year's lightweight team was the smallest team ever to play for Waukegan. With only one man standing over five feet six, the team had an average of five feet five inches. Laffredi, a freshman, was by far the best shot on the team; he scored 105 points in ten games. Ed Nutilla ran second with 51 points.

The team got off to a bad start, losing their first four games, but from the Harrison game on they began to click, winning seven and losing three.

The record for the season follows:

Waukegan 15	Morgan Park 30	Waukegan 32	Roosevelt 30

FROSH-SOPH BASKETBALL

Coach R. D. Brown's Frosh-Soph basketeters enjoyed a highly successful season last winter, winning twelve games and losing only two. Incidentally, it was Evanston's high-powered sophomore team that beat Waukegan both games.

Among the teams defeated by Brown's team were Oak Park and New Trier. Waukegan scored two victories over each one of the two. Another outstanding victory was a 29 to 16 victory over Lake Forest Academy.

The outstanding players on the team for the past year were: Everett Rummel, who performed at forward, and Justin Bowers, a 6 foot 3 inch guard. The lettermen on the team were: Theodore Damos, Leonard Zens, Justin Bowers, William Hunt, Everett Rummel, Frank Merlo, and Verle Jones. Jones didn't play many games for the Sophs as he was reserve center on the varsity.

The record of the team is as follows:

Waukegan 18	Wauconda 1	Waukegan 18	Evanston 22
Waukegan 18	Wauconda 15	Waukegan 24	McHenry 18
Waukegan 30	McHenry 12	Waukegan 29	Wauconda 21

SWIMMING, 1934

Coach J J. Morley's mermen began the '33-'34 swimming season with a thrilling 36 to 33 victory over their traditional rivals, Deerfield. Rukas led the scoring with nine points garnered from a first place in the hundred yard event. The relay team placed second in their events. The Juniors not to be outdone by the Seniors trimmed the Deerfield Juniors by a 38 to 31 score. The Kenosha state "champs" ducked the "W" boys by a 41 to 28 score. The Juniors could do no better than the Seniors and lost by a 43 to 25 score.

The team splashed its way to a 39 to 30 victory over the strong Lake Forest Academy team. Rukas, Hill, and Heckinger led the scoring for Waukegan. Lead by Hartman, the Juniors overwhelmed the Lake Forest Juniors 43 to 25. The reputed LaSalle team was the next victim. They fell by a 39 to 30 score. This meet was featured by Rukas' mark of 1:01 in the 100 yard free-style.

Morley's boys again met Kenosha and again were trimmed, this time by a 43 to 22 score. The Juniors lost 46 to 22. Lake Forest proved hardly any opposition and as a result the locals won 44 to 25. Rukas, Charlton, and Heckinger led the scoring with 9-7-7 points respectively. The Juniors came thru with a 40 to 28 victory. In the final meet of the year with Deerfield, Waukegan took both sides of the program, the Seniors 35 to 34, and the Juniors 41 to 28.

All of Coach Morley's lettermen are returning next season.

TRACK

Although they won a clear sweep in the high jump, in the pole vault, in the mile, and in the 440 dash, the "W" track team lost the first meet of the season to Deerfield by a score of 80-42.

In the annual Lake County track meet Waukegan placed third, finishing behind Deerfield and Libertyville. Running against first class competition, Davern won the 440 in almost record time; Sledge took the high jump at 5'8" and Barnes vaulted 10'6" to win the pole vault.

Frank Grana broke the school record in a cross-country meet with Senn High School later in the year.

The following boys won majors: Morris, Davern, Grana, Sledge, Barnes, Sayre, and Warfel. Davern and Morris were co-captains of the team.

BASEBALL (1933)

After postponing the first seven games because of inclement weather, the baseball team opened the season in a game with Morton, whom they trimmed 7-3. In the next encounter Lane, the National Junior American Legion Champions, won by a score of 15-2.

Bad luck seemed to trail the team, for they also lost the next three games. Deciding that this losing business had gone far enough, the boys beat Deerfield 6-4. In a return engagement, Waukegan "took their scalps" again, 3-2.

According to Coach Grosche, Butkis pitched great ball all through the season. The offensive and defensive stars were Krepas, Alto, Turek, and Conteas.

The seconds had a fairly successful season, winning five games and losing two.

Major letters went to Butkis, Alto, Leginski, Hollands, Selenik, Britton, Stang, Turek, Conteas, Krepas, F. Ward, and Dicig.

Minor letters went to J. Ward, Zelesnick, Stolarik, Hansen, Hellgren, Petkorsek, Hewitt, McGuire, J. Petitclair, Watka, Bretzlauf, R. Petitclair, Setnicar, Walczak, Rapp, and W. Ward.

INTRAMURAL BASKETBALL

Intramural basketball was divided this year into four leagues: the heavyweight, lightweight, bantam weight, and paper weight divisions. Intramural basketball is carried on under the supervision of Al Grosche. This year, due to Mark Wilson's illness, Grosche took Wilson's place and Louis Singer had charge of the intramural basketekers for the greater part of the season.

There were eight teams entered in the heavyweight division, namely, Streaks, Northwestern, Badgers, Moose, Loyola, Purdue, Illinois, and the Gashouse Fairies. The Purdue quintet annexed the title in the heavyweight division with seven victories and no defeats. Loyola and the Moose finished in a tie for second place, each holding five victories and two defeats.

Only four teams were entered in the lightweight division. The Rangers copped the title with four victories against one defeat. The three other teams participating in the league were: Musculars, Panthers, and Fliers.

Some of the outstanding performers and their teams were: Webber and Martinez from Purdue, Hudson and Scott from Loyola, Zadigian from the Moose, and Petroschius and Contreas from the Gashouse Fairies.

Twice a week the girls played at Weiss Field, under the management of Mary Jane Nellans. Although a tournament was started and some of the games were played, cold weather prevented its completion.

There was a separate tournament for each classification: senior, junior, sophomore, and freshman. Players who attended eight practices and who had good standings in the Girls' Athletic Association received thirty-two points.

HISTORY CLUB

At the first meeting of the school year the Senior Assembly was alive with old and new History Club members, who brought with them plans and ideas, which, when carried out, helped to make 1933 and 1934 one of the most successful years the History Club has experienced. Mr. Hurd is the sponsor.

Officers for the first semester were:

Beulah Tornquist.....	President
Elvera Anderson	Vice-President
Bettie Van Sickle.....	Secretary
Cecilia Merlak.....	Treasurer
Margaret Wedge.....	Director
Helen Lohmann.....	Director
Agnes Stenros	Historian
Stanley Fisher	Sergeant-at-Arms

In order that members of the club might become better acquainted with each other, plans were immediately made for a social meeting which took the form of a hike to the Bowen Country Club. The hike was a success in every way. On the committee were Agnes Stenros, Chairman, Joe Vasta, Jack Welch, and Jeanette Quiggle.

A World's Fair excursion was the result of enthusiastic planning by a committee consisting of Polly Quarnstrom, chairman, Kathleen Christenson, David Brunberg, and Ida Jack.

Through the efforts of the History Club Major Philip Martindale, a forest ranger, gave an illustrated lecture on November 1. The Major's stories and slides were filled with interesting details concerning Yellowstone National Park and the great American Northwest. In charge of this presentation were Marjorie Smyth, chairman, Velma Zickerman, Taimi Lehtonen, Tom Foster, and Joseph Goodbout.

One of the most important contributions of the History Club each year to the cultural life of the community is the observance of American Education Week. With the aid of the music, dramatic, and public speaking departments, the History Club members arranged several American Education Week programs presented before the various civic clubs and parent-teachers associations of Waukegan. Much credit is due Robert Katz and his committee consisting of Elvera Anderson, Joe Vasta, Ronald Freedman, Nita Potter, Anita Feder, and Agnes Stenros for their effective work in this year's program.

A short time later History Club members and a large part of the student body, alumni, and friends garbed themselves in barrels, shawls, old clothes, and what have you, to enjoy a hard times dance in the gym. The dance was exceptionally well attended.

Soon after the dance the History Club gave a faculty tea in the library. Preceding the tea, several students presented an intersting program. Elvera Anderson headed the committee composed of Roberta Brown, Glen Olson, Taimi Lehtonen, and Margaret Wedge.

The climax of History Club affairs for the first semester was the highly successful annual banquet. The theme chosen for the banquet was "International Night." The menu, program, and entertainment were built about the idea of internationalism. Around the walls of the cafeteria, where the banquet was held, were found attractive banners and flags representing various nationalities.

The program which followed the banquet proper was known as the World Court. A furious debate carried on in several foreign languages was the feature of the program. Dancing in the lower corridors of the Junior Building completed an already perfect evening.

Her committee chairmen were: tickets, Margaret Burrell; properties, Donald Clark; advertising, Alvin Calhoun; program, Helen Spoor.

Plans were also being made to hold a mock election in the early part of April. Fred Burgess was appointed general chairman of this undertaking. His sub-chairmen were as follows: Ardith Anderson, publicity; Bettie Van Sickle, polling places; Joseph Goodbout, ballots. The History Club held such a mock election during the last presidential campaign, which proved educational and entertaining.

DEBATE

Debating this year was extremely interesting to both participants and audience because of the particularly appropriate subject, radio broadcasting. Everyone who owns a radio or listens to one received much informative entertainment from the discussion of the topic which reads as follows: "Resolved: That the United States should adopt the essential features of the British system of radio control and operation."

A schedule of eight non-decision debates was arranged this year. On March 5 the affirmative of Waukegan opened the season at St. Bonaventure Academy. The following day Waukegan's negative met St. Bonaventure Academy at Waukegan. On March 8th and 9th the local team met the two formidable Maine Township High School teams. On March 12 and 13 North Park College of Chicago provided the verbal opposition in another dual debate. The season was ended with a dual debate with the Lake College of Commerce of Waukegan. Mr. S. Sandven was the able coach of the team thruout the season.

The regular speakers in the order of their appearance were as follows:

Affirmative

1. Errta Reilio
2. Marvin Mansfield
3. Ronald Freedman

Negative

1. Barbara Rogers
2. Robert Prichard
3. Robert Katz

JUNIOR RED CROSS

The work of the Junior Red Cross was started three years ago, by Miss Rundquist. Each student in the school is a member, although most of the activity is carried on by a council of representatives, one representing each home room.

To promote a feeling of internationalism, several "W" annuals were sent to other countries. In return foreign students sent copies of their publications.

After the subscription to the Junior Red Cross Journal was secured by the Red Cross Roll Call, it was found that enough money was left to purchase materials with which to make menu covers for a ship in one of the United States fleets on the East coast. The council received a letter from the commander of the ship, thanking them for their thought and effort. Students were called upon to make contributions of checkerboards, cards, and jigsaw puzzles for the veterans' hospital at Great Lakes. At the end of the first semester, a dance was given by council members to aid in collecting funds for the organization.

GIRLS' ATHLETIC ASSOCIATION

The aim of the Girls' Athletic Association is to promote health among the girls and to interest them in sports. During every season of the school year a sport has been in progress. Either speedball or soccer was played in the fall, volleyball and basketball followed, and the season ended with track. In addition to these sports, the association had a swimming team, and life saving was taught in Junior and Senior Life Saving classes.

On the first Friday of each month the G. A. A., sponsored by Miss Rundquist and Miss Durkin, held a general business meeting, which was followed by a program presented by one of the four classes. Once or twice during the month the girls had a special social event, sometimes going on a hike and cooking out in the open. On March 23, a Persian water pageant, "In a Dervish Court," was presented, giving swimmers an opportunity to exhibit their skill.

For each sport in which a member took part she received 32 points. A number was given for 600 points, and a "W" for 1200 points; an "I" for 1600 points and an emblem for 2000 points were awarded by the state.

GIRLS' LEAGUE

The Girls' League is an organization which every girl in school is eligible to join. Its principal purpose is to bring the girls of the school closer together.

The annual election of the Girls' League is followed by an impressive installation service. The officers installed this year were as follows:

President.....	Jane Houser
Vice-president.....	Vera Houser
Secretary.....	Gladys Best
Treasurer.....	Betty Peterson

One of the most important activities of the Girls' League is the maintenance of the Lost and Found department. Margaret Edwards and Gladys Best headed this department in the Junior and Senior buildings respectively.

Every year a selected group of members is sent to a girls' conference. These girls are chosen because of their regular attendance at meetings and their participation in club activities. This year the conference was held in April at Highland Park. The conference provided an opportunity for the girls from different schools to get together and discuss their past accomplishments and their plans for the future.

STUDENTS' FORUM

The chairman raps for order—conversations cease, every one finds a seat, and the semi-monthly meeting of the Students' Forum begins.

In the middle of the first semester the Forum was organized by a number of students interested in current events and problems. In each forum two or more members spoke on a chosen subject. Then for the following thirty or forty minutes the meeting was open to discussion, giving every one an opportunity to express his own opinions. The subjects for the first two meetings were "The Present Situation in Germany," and "Recognition of Russia."

With the opening of the new semester, officers were elected again, the Forum began a campaign for new members, and plans were made for obtaining outside speakers if the club gained enough members to make it possible. Throughout the semester the speakers contributed articles dealing with the subjects discussed to the Student "W" World.

This year the Hi-Y Club subscribed \$25.00 to the local Y. M. C. A. in its campaign for funds. As its annual project the Club also aided in terracing the inner court of the Junior Building. The organization was well represented at the Older Boys' conference in Springfield.

The Fifth Annual Ladies' Night was held at the "Y" on February 19, 1934. Dancing followed the luncheon which was held cabaret style. In December the Hi-Y sponsored a dance after a home game, and used the proceeds to carry out their various projects.

Although the organization is essentially scientific, it conducted many social events. Pleasant autumn days lured the amateur scientists on brisk hikes. At Hallowe'en the members frolicked at a comic costume party. Later in the year several skating parties were held.

Educational visits were made to local industries, including Abbott Laboratories and Callahan's Dairy. As this book went to press the club was making plans to participate in the History Club's annual Amateur Night.

MODERN BOOK CLUB

With the purpose of keeping in step with the latest trends in modern literature, a group of Juniors and Seniors organized the Modern Book Club this year, with Miss Tidy as sponsor.

The organization promotes an interest in worthwhile reading, not only among the members of the club, but throughout the student body. To further this interest, the members of the Modern Book Club sponsor a book review column in the Student "W" World each week. This weekly column, in which the latest fiction, biography, poetry, and drama are discussed, has aroused much interest among students and faculty members.

The first book to be reviewed was "No Second Spring" by Janet Beith. Interesting glimpses of Chinese peasant life were presented in the reviews of Pearl S. Buck's "The Good Earth" and "Sons." Other reviews which proved popular with the Book Club during the first semester were: "Life Begins at Forty," "As the Earth Turns," "Within This Present," and "Anthony Adverse."

500 MILE HIKERS

The 500 Mile Hikers under the sponsorship of Mr. Grosche enjoyed many hikes during the past year. The hikers started the season with a chili party in Lyon's Woods. After Christmas, few hikes were taken because of examinations and unfavorable weather. On some of the hikes Zion was the destination, on others it was Gurnee. Hiking in the moonlight proved very popular; cross-country hikes were also well liked.

The annual dance was held on February 17. Robert Delancy was chairman of the ticket committee; Anna Boehm, chairman of the decoration committee; and Gordan McKinnely was in charge of the music. The general chairman was Frank Grana.

Of the boys, those leading in mileage on February 19 were Frank Grana, with 1,211 miles; John Grana, 1,172 miles, and William Chirolas, 1149 miles.

Alma Bergsted headed the girls with 1,583 miles, while Dorothy Dix had a record of 571 miles, and Joan Hutchison 569 miles.

POSTER CLUB

During the past year the Poster Club, under the supervision of Mr. Jickling, has kept the bulletin boards supplied with a great variety of posters announcing coming events. It was largely due to the cooperation of the club that many of these events were so successful.

The novelty dance sponsored by the Poster Club was one of the social high-lights of the season. This has become an annual affair and the club always puts on an entertaining program starring student talent.

One of the outstanding members this year was Remi Ratti, as anyone who has seen his work will testify. By submitting some of his work to the Academy of Fine Arts, he won a 12 weeks' scholarship to that institution.

Every spring the Poster Club takes to the open air for its annual picnic. Through the courtesy of Dr. Thomas, this event has been held at Third Lake for the past few years.

WAUKEGAN JUNIOR PHILATELISTS

As a result of the activities of Mr. Annis, an ardent stamp enthusiast, the first meeting of a High School Stamp Club was called in April, 1933. This new organization proved an immediate success. Several committees were appointed, lively stamp auctions were held, and the last month and a half of school was filled with activity for the members of the club.

In September the club reorganized; membership continued to increase, and the activities of the previous semester were carried on.

During the second semester the philatelists won a silver loving cup for securing the most points in the stamp exhibition of the Linden Stamp Club of Chicago. The club also participated in the exhibition of the Lake County Philatelic Association.

RADIO CLUB

Reorganizing after a year of inactivity, the W. T. H. S. Radio Club accomplished a great deal this year in encouraging the learning of the fundamentals of radio and the International Morse Code. Simple short-wave sets were constructed by members and demonstrated before the organization.

Two of the members, James Hansen and Robert Ritz, successfully passed government examinations required for radio station operators.

Mr. Frey and Mr. James are the sponsors of the Radio Club.

INDUSTRIAL RESEARCH CLUB

The Industrial Research Club, sponsored by Mr. Lockhart, reorganized at the beginning of the second semester with a membership of twenty-five. A visit was also made to the St. Theresa Hospital.

Plans for the future include a visit to the Public Service Plant, which has one of the largest generators in the world.

The aim of the ambitious members of this club is to gain practical knowledge which will help them in choosing their vocations. The officers of the organization were as follows:

SENIOR A

Those ancient and time-honored characteristics of a senior class—always busy, always energetic—were well exemplified by the mid-year class of '34, which was sponsored by Miss Webb and Mr. Halteman. These Seniors found their last semester of high school to be a whirl of activities, which began with the dance sponsored by the class on November 24th. A unique feature of the dance, of which Jane French was chairman, was the awarding of door prizes.

In a literary contest held exclusively for Senior A's, honors went to Juanita Skelton in the short story, Agnes Stenros in the essay, and Elvera Anderson in the poetry division. The winners received free '34 Annuals.

The next big event on the Senior A calendar was one of the most cherished traditions of the graduating classes—the Senior Play. The class presented "Regatta," a romantic comedy, on December 8th in the Senior auditorium, with great success.

Then came the climax of high school life, graduation. The Baccalaureate service was held on Sunday afternoon, January 14th, with the Rev. Baldus as the speaker. The following Tuesday evening was Class Night, at which the class gift, a lantern slide projector for use in class rooms, was presented. Class Night was also the occasion of the Valedictory, given by Elvera Anderson, and the Salutatory, by Sigrid Pokela. The last and most important of the exercises, Commencement, was held on Thursday evening, January 18. Rev. Paul Johnson of LaGrange was the speaker. A graduation hop was held after Commencement.

Among the members of the class who were especially prominent in school activities were: Kenneth Morris, who earned an enviable reputation on the football team; Juanita Skelton, editor of the '33 Annual; Herbert Oliver, Lt. Col. of the R. O. T. C. for the first semester; Leonard Oliver, who took honors in several band contests, and Taimi Lehtonen, prominent in Glee Club productions. With many promising individuals numbered among its members, and looking forward to fame in future years, the January class of '34 bade a regretful farewell to W. T. H. S.

SENIOR B CLASS

The Class of June, 1934, born with the depression, overcame financial and moral obstacles in making itself one of the outstanding graduating classes of recent years.

Miss Mihan and Mr. Kaufman have for four years guided the class in a commendable manner. The class selected the following officers to lead them thru the Senior year:

Gus Kaptur.....President

Harry Rice.....Vice-president

Mary Jones Secretary-treasurer

On May 4th "Shirt Sleeves," the Senior play, was presented in the Senior Assembly to an appreciative audience. The play, quite appropriately, was a story of the depression and its social effects.

The "34" class can boast of a glittering array of personalities, people who will not soon be forgotten. Among them are the following: In dramatics: Jane Ward, Margaret Dady, Kermit Rolland, Harry Rice; In athletics: Cinto Martinez, Ray Petroschius, Gus Kaptur, Frank Grana, and Adolph Pierce; in the field of publications: Dorothy Boyles, Percy Beckwith, Ronald Freedman, Kermit Rolland, and Kathryn Shelby; in music: Glen Strang, Harry Rice, David Brunberg, Walter Soderquist, Bernice Carlson, Antoinette Wiechecki, Donald Freedman, and Robert Anslyn.

As this book went to press, elaborate plans were being made for Class Night, Baccalaureate, and Commencement which promised to climax four successful years with a fitting ending.

ADVERTISEMENTS

Donkey Show

Pocketbook lost in dime store containing week's wages and laundry.

Gentlemen: "I noticed your advertisement for an organist and music teacher, either man or woman. Having been both for several years, I offer my services."

"See if you can laugh that off," said the fat man's wife as she wired a button on his vest.

She rung me on the telephone.
She rung her hand, I was not home.
She rung from me my hard earned jack.
I rung her finger but she gave it back.

Congratulations:-

To the graduating class of 1934:

We sincerely hope to serve the student body of the Waukegan High School in the future as we did in the past year.

Our up to date facilities make it possible to put at your disposal the highest quality of workmanship, at reasonably low prices.

You can never go wrong dealing with a local Studio.

"Oh, Bob," shouted the housewife to her husband. "How do you expect to drive a nail in the wall with that toothbrush? For goodness sake, use your head."

A one way street is a street on which a motorist is bumped from the rear only.

A sweet young thing in distress came in and said:

"I've broken my glasses. Do I have to be examined all over again?"

"No," sighed West, "Only your eyes."

Man is "a worm of the dust"—he comes along, wiggles around awhile, and finally some chicken gets him.

ONCE MORE WE SAY "AU REVOIR"

But not good-by to our dear old pals, High School boys and girls. We are still prepared to fill your wants and needs whether it be Summer, Winter, Spring or Fall.

Rah! Rah! Rah!"

"How sweet of you to back that horse because it had the same name as mine."

"It had the same habits, too. It got there half an hour late!"

Prof. Ayre is my teacher, I shall not
pass;
He maketh me to prove dense propo-

He leadeth me to expose my ignorance
before the whole class;
He restoreth my sorrow;

Bus Driver: "Madam, that child will
have to pay full fare. He's over five
years of age."

Madam: "Why, I've only been mar-

Bus Driver: "Never mind the true

Pat, after having spent some time in the trenches, was wounded and returned home. One day he met Mike who accosted him cheerfully: "Well, Pat, I see you're back from the front."

Pat replied: "Begorra, I know 'twas thin I was, but I didn't know I was that thin."

1834
He: "May I have the honor of a minuet?"

She: "With all my heart, kind sir."

1934
He: "Let's struggle this one out."

She: "O.K., I can take it."

“I didn’t do it. I didn’t do it.” Bobby protested.

That afternoon the teacher met Bobby’s father and told him the joke.

“The little imp,” beamed the father. “I’ll bet he did too.”

By mistake one soldier held up his right leg which brought it out side by side with his neighbor's left leg.

"Now who is that guy over there holding up both legs?" called the sergeant.
